PROFESSIONAL EXPERIENCE

US Divorce Law Firm **Nov 2024 – Sep 2026**

Legal Assistant / Reception & Billing Coordinator

- Managed the firm owner's inbox and calendar, prioritized emails, scheduled appointments, and handled client communication.
- Issued invoices, monitored client trust accounts, and followed up on replenishments, balances, and required payments.
- Organized legal documents and maintained spreadsheets for client data, billing, and internal workflows.
- Coordinated case and billing updates with the legal team and scheduled consultations for prospective clients.
- Handled inbound calls and conducted 50–100 weekly follow-up calls to webinar registrants, no-shows, and attendees.
- Created newsletters using ActiveCampaign, GoHighLevel, and Canva and assisted with video content for prospective clients.

Expounder (Project-Based) **Sep 2024 – Nov 2024**

Lead Generation Specialist

- Researched and qualified prospects through LinkedIn and online sources based on client requirements.
- Conducted outreach by email, LinkedIn, and 50–100 cold calls daily to start conversations with prospects.
- Generated and managed up to 100 qualified leads and kept CRM data organized for consistent follow-ups.

Asurion **Jan 2024 – May 2024**

Technical Support Expert – Verizon Mobile

- Resolved customer questions about mobile devices, service, and coverage and supported sales conversations when appropriate.
- Troubleshot mobile phones and guided customers through technical issues.

Teletech **Aug 2023 – Jan 2024**

Healthcare Advocate – United Healthcare

- Assisted members with healthcare coverage, benefits, and claims and coordinated with providers, clinics, and pharmacies.
- Documented interactions and resolved concerns while following company and healthcare guidelines.

Hearing Aid Clinic **Apr 2023 – Jul 2023**

Front Desk & Appointment Setter

- Handled inbound calls for hearing aid clinics across the U.S. and Canada and scheduled hearing assessments, checkups, and earwax removal appointments.
- Maintained client and transaction spreadsheets, conducted follow-up calls, and responded to inquiries through Facebook and messaging platforms.
- Created and edited Canva materials for clinic promotions.

Transcom **Aug 2022 – Apr 2023**

Technical Support – Comcast Xfinity

- Provided technical support for internet, home phone, and television services and recommended products or upgrades based on customer needs.
- Booked technician visits for customers when issues could not be resolved remotely.

Ubiquity (Project-Based) **Dec 2021 – May 2022**

Risk Analyst – Chime

- Reviewed transaction histories for potential fraud or irregularities and resolved cardholder disputes based on findings and company policy.

Quantrics **Mar 2019 – Oct 2021**

Loyalty Retentions / Customer Service Representative – Bell Canada

- Resolved customer concerns, troubleshot internet, home phone, and television issues, and negotiated solutions to prevent cancellations.
- Booked technician visits for customers when issues could not be resolved remotely.
- Recommended relevant products and service upgrades while maintaining professional customer interactions.
